Why not give fishing a try?

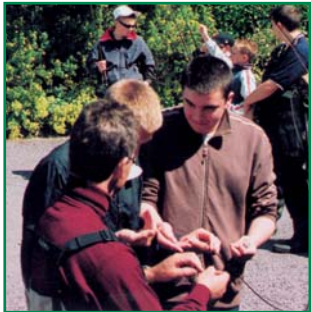

A series of one day angling sessions led by experts will be held throughout Ireland during 2005. Each session will run from 11am to 4pm and will begin with a talk on safety, the environment, and good waterside manners. It will concentrate on instruction in specific types of angling appropriate for each particular location – sea, coarse, game.

After lunch (which can be purchased at most locations or bring your own), there will be an opportunity to get hands-on experience with rods, tackle etc., and weather permitting, demonstrations / fishing on suitable waters.

There is no charge for instruction and numbers are limited on a first come / first served basis. Booking form is available at the back of this brochure. Additional information can be obtained from Aoife McLoughlin at contact address on this booking form.

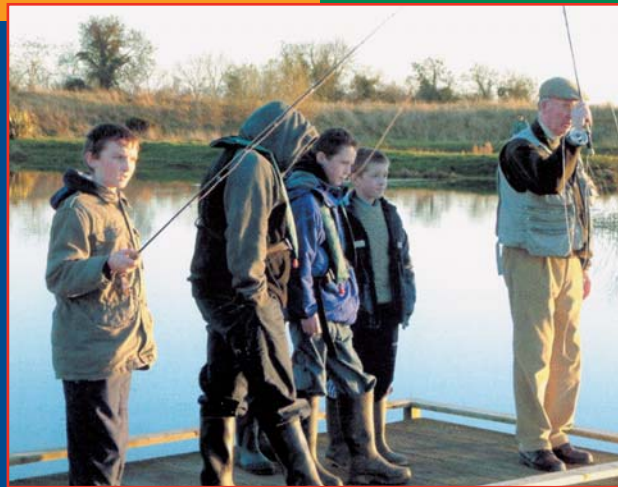

Recreational Angling Ireland (RAI) is sponsoring each event. RAI is a 32 county organisation which aims to unite all national bodies involved in coarse, sea and game angling.

Requirements

- ❖ **RAI advise that each young person should be accompanied by an adult.**
- ❖ **RAI advise that a hat and glasses (sunglasses or prescription) should be worn during practical instruction. Sunblock and insect repellent are also recommended.**
- ❖ **Bring your own fishing tackle if you already have some.**
- ❖ **Wear appropriate waterproof clothing and footwear.**
- ❖ **Any misconduct will not be tolerated and will result in the immediate dismissal of participant.**
